Foglia

design by Forme

The origin of this design was the attempt to evoke the shape of a leaf in a stylized, relevant way. The result is a handle which retains the charm of nature without sacrificing on functionality.

L'origine di questo design è il tentativo di evocare la forma di una foglia in una versione super stilizzata. Un esperimento riuscito che esprime tutto il valore di un fascino naturale racchiuso in una maniglia.

“The beauty of nature without compromises on functionality.”
