Hammer

design by Forme

As the name suggests, Hammer is inspired by the hammer's silhouette, shown through the final part of the handle that widens. A compact design that expresses power and solidity.

Così come suggerisce il nome, Hammer è ispirata alla silhouette di un martello grazie alla parte finale dell'impugnatura che si allarga. Un design compatto che esprime potenza e solidità.

“Power through style,
solidity as an
expression.”
