

“Inviting plasticity
that makes a clear
impression.”

Moon

design by Śliwińska - Kęska

Sinuous, inviting, plastic shapes follow one another to make a clear, striking impression. Moon is a high-class construction handle with an organic horizontal handle.

Forme sinuose, avvolgenti, plastiche, si succedono nello spazio per stupire e lasciare il segno. Moon è una maniglia di alta classe costruttiva con una impugnatura orizzontale organica.
