

Paola

design by Kawajun

The triangular handle is Paola's most interesting feature, with a final part that increasingly tapers in the search for maximum lightness. The flat surface amplifies its scenic impact and the innovative feel.

L'impugnatura triangolare è la caratteristica più interessante di Paola, con la parte finale che si assottiglia sempre di più cercando la massima leggerezza. La superficie piatta ne amplifica l'impatto scenico e il mood innovativo.

“A light yet powerful triangle suspended in space.”
